

MURINI "CLOUD 9"

ZERMATT
APARTMENT
RENTALS

Haus Murini "Cloud 9" is in a quiet part of town, conveniently placed close to the ski-lifts and train station of Zermatt with excellent local amenities. Just five minutes walk from the Sunegga lift, and a further two to three minutes from the Gornergrat railway and the centre of town, Cloud 9 is ideally suited for both winter and summer holidays.

This second floor apartment sleeps 4 people and comprises one double and one twin room, which are both en-suite. The master bedroom enjoys a bathroom with a very large double bath, perfect for that après ski soak, a shower, basin, WC and bidet. The twin room has a walk-in wet room with a large ceiling rose shower, WC and basin. Both the bathrooms are equipped with speakers enabling you to relax to music as you soak.

All rooms are equipped with under-floor heating and for those winter evenings when you would rather stay in than explore the town there is a log burning fire. The apartment is equipped with a 32" LCD TV with surround sound and a DVD player. Wireless internet is also provided. The apartment building has a lift and laundry facilities

Extra services: Airport taxi transfers, Ski Instruction & Guiding, Housekeeping, Shopping, Childcare, etc..are available during your stay in Zermatt. For a complete list please view our sister web-site: www.zermattatyourservice.com

Zermatt: This car free resort is situated at the foot of the Matterhorn in Switzerland and offers access to a ski area of over 400km. The village is situated at 1560m and with the highest cable car at 3888m it ensures excellent skiing in the winter & great glacier skiing in the summer. A climbers and hikers paradise with 38 peaks over four thousand metres and breathtaking views, Zermatt, has something to suit everyone.
